

BUSINESS SELF CERTIFICATION FORM

I am a self employed / sole trader business in the UK and I wish to register as a small business customer with EE. I understand that if I register as a business , EE will pass my information to the credit reference agencies relating to my business. I also understand that if EE later asks for my documentation evidencing my business status, I must provide it. I accept that I may have my business benefits and / or price plan changed or removed if I cant do that.

I confirm that I have read and understood and therefore accept the statement above: ☐
